MEMORANDUM FOR: Director of Central Intelligence  
VIA: Acting Director of Central Intelligence  
FROM: David D. Gries  
SUBJECT: Accelerating Pace of Chairman Durenberger's  
Statements to the Press

1. As the attached list shows, Public Affairs has record of 37 instances since January, 1985, when Durenberger made statements to major print media about intelligence. Twenty-six occurred in 1985 and 11 in the first two months of 1986. Thus, if the current rate continues, we can expect many more statements in 1986 than in 1985.

2. In this situation you could consider discussing the problem with Majority Leader Dole, who appointed Durenberger in the first place. Perhaps Dole would be willing to talk to Durenberger directly. This would probably be more effective than another letter or approach from us; our attitude is already know.

David D. Gries
